HIKE / SOJI / BORDER / KOMA

col.(カラー)シリーズは、畑漆器店が展開する、山中漆器の木地挽きの技術を活かした木製品ブランドです。
木地の質感や木目と鮮やかな色とのコントラストが特徴で、
山中漆器の可能性を広げる提案であり、伝統的な山中漆器を知る入口でもあります。

The "col. (color)" series is a brand of wooden products developed by Hata Lacquerware Store,
utilizing Yamanaka Lacquerware's wood turning techniques.
Characterized by the contrast between the texture and grain of the wood and the vivid colors,
it is a proposal to expand the possibilities of Yamanaka lacquerware and a gateway to understanding traditional Yamanaka lacquerware.

HIKE cup / plate / pot stand

山中温泉の気候や風景がモチーフのグラフィックパターンを印刷したシンプルなカップとプレートです。
プレートはカップと合わせてソーサーとしてもお使いいただけます。
ポットスタンドは、雨の多い山中らしく水面に雨が落ちてできる波紋をイメージしています。

A simple cup and plate printed with a graphic pattern featuring the climate and scenery of Yamanaka Onsen.
The plate can also be used as a saucer with the cup.

Pot Stand is inspired by the ripples created by rain falling on the surface of the water, which is typical of this rainy town, Yamanaka.
